Sign Up Frontend

Task Points: 25 ~~50~~ ❓

Task Status: **Completed**

Task details

This is o**ne of the most important tasks** as your performance here would be shared with a lot of recruiter, so make sure you try to **complete the task in the best way you can**.
Try **sticking to the timer** and you will be able to complete the task by giving 6-7 hrs a day.

Watch this video to understand whatsapp system design as you would be building most of the features which have been talked in the video

Create the Signup page
For Sign up, take the name, email, phone number, password from the user.

Push the code to git and upload the commit id
